KSHSC Youth Show Directors

RE: Annual Youth Benefit Show  
Saturday, June 21, 2008  
Douglas County Fairgrounds, Lawrence, Kansas

Dear Sponsor,

On behalf of the Kansas State Horse Show Circuit, we would like to introduce ourselves. We are a local circuit that has been successfully operating for over 40 years in East-Central Kansas with a membership of approximately 175 to 200 members. Our members exhibit horses from all breeds with many diversified disciplines; from Halter to English to Western Pleasure and Horsemanship, as well as Reining and Racing. Our group is like a large family as our younger members all participate in a youth group learning all about managing shows, fundraising and having fun with their horses at our annual Youth Benefit Show. The money that the Youth raise from their show goes directly to funding a Youth Scholarship, which benefits our Youth going on to higher education. And the older side of the family like to support the Youth as well as supporting the many clubs that all sponsor our annual KSHSC Horse Shows. And, of course we like to eat together as a family at our annual Spring Kickoff Potluck luncheon, our Business Meeting, and Year-End Awards Banquet.

Our members extend an invitation to non-members to compete with their equine counterparts in a series of shows and classes. Our intention is to offer an alternative challenge in showing and attract new membership. Our hope is to have happy winners that our sponsors helped support (we make sure everyone knows the names of our generous sponsors).

At this time, we are seeking sponsors to support for our Youth Show being held on June 21, 2008. At our show we will announce our sponsors and request that our members, participants and guests show their appreciation by visiting the sponsor for all their equine needs. We hope that this may bring you some new customers that may not have known about your business.

Thank you for your time reading all about KSHSC. You may view our website at [www.kshsc.org](http://www.kshsc.org). Thanks again and much success in 2008!
